The screenshot shows a web browser window with the URL `us02web.zoom.us/j/82948848599?status=success`. A system dialog box is open, asking "Open zoom.us.app?" with the text "https://us02web.zoom.us wants to open this application." and two buttons: "Cancel" and "Open zoom.us.app". The background page displays the Zoom logo, "Support" and "English" links, and a large white box with the text "Launching...". Below this, it says "Please click Open zoom.us if you see the system dialog." and "If nothing prompts from browser, [click here](#) to launch the meeting, or [download & run Zoom](#)." A red arrow points to the "download & run Zoom" link.
